Uganda and DRC Congo have long been dependent on gold and diamond mining +256788015516 +256788015516 +256788015516. Gold makes up more than 24 and 37 percent respectively of the nation's exports, and the diamond industry comes in at the fourth spot for worldwide diamond producers. Experts consider Uganda an DRC Congo ripe for finding additional deposits of precious minerals and metals, as well as energy and industrial minerals, ferrous minerals, non-ferrous minerals and metals. +256788015516 +256788015516

Uganda and DRC Congo have experienced growth in secondary industries in recent years, which has led to the decline of mining's relative contribution to the nation's gross domestic product. Even so, the mining industry continues to be an important contributor to the nation's economies, creating jobs, making up about 18 percent of the gross domestic product and earning more than 50 percent of foreign exchange...
